## LOTTERY RESULTS

FRIDAY, APRIL 3, BY EMAIL

The “first come, first served” system has reached its limits.

On April 2, registrations will be open from 12:00 to 18:00, giving everyone a fair and stress-free chance to enter the process.

👉 No need to rush at noon: registering at 12:01 or 17:55 makes no difference. If demand exceeds capacity, a lottery will be held. Results will be announced by email on Friday, April 3, in the afternoon.
